

MUNICIPALITY OF THAMES CENTRE

REPORT NO. PW-DR-010-24

TO: Mayor and Members of Council
FROM: Drainage Superintendent
MEETING DATE: October 7, 2024
SUBJECT: Elliot Drain Branch "A" 2024 – Meeting to Consider

RECOMMENDATION:

THAT Report No. Report No. DR-010-24 prepared by the Drainage Superintendent, dated October 7, 2024, concerning a meeting to consider the Elliot Drain Branch "A" 2024, **BE RECEIVED** for information;

AND THAT the Drainage Report for the Elliot Drain Branch "A" 2024, as prepared by Spriet Associates, dated August 30, 2024, **BE RECEIVED AND ADOPTED**;

AND THAT the first sitting of the Court of Revision on behalf of the Elliot Drain Branch "A" 2024, **BE SCHEDULED** for November 4, 2024.

PURPOSE:

To provide Council with the information necessary to deal with the request under the Drainage Act as it relates to the requirements for the Meeting to Consider. This meeting will deal with engineering matters only. Assessment questions will be dealt with at the Court of Revision.

BACKGROUND:

Two residential lots have been experiencing ponding around their properties during minor rain events. After further investigation it has been observed that the stormwaters' natural path to escape these properties is blocked by higher ground. Consideration to have an outlet which is deep enough to allow the landowners entire lot to be drained has been given under this report.
