## **Benefit-based Structure Levy**

Significant cost increases have been realized for projects initiated in 2024. In some cases, capital project proposals have doubled forecasted costs. With aging infrastructure, continued structure maintenance costs are also significantly higher. Increases in levies will be seen particularly among those municipalities with benefit-based percentages on structures due to capital repairs.

## **Municipal Levy**

JTRCA levies the member palities for operating and capital for mandatory Category 1 ms and services. There are two omponents:

al Levy:

- ports all Category 1 programs services.
- ortioned among member nicipalities according to the dified Current Value Assessment, ompliance with Budget and ortionment Regulation (O.Reg. /22).

t-based Levy:

- ports specific structures (i.e., ns, channels, dykes), which are Category 1 costs.
- al share of the costs is funded he municipalities that benefit n the structure.
