Mr. Vanderwerff,

Please accept this letter as our formal request for a three (3) year extension to the above noted Draft Plan of Subdivision Approval in the Village of Thorndale in the Municipality of Thames Centre. While we are close to finalizing all of the conditions, we are requesting the extension to ensure we do not run into any issues at this uncertain time with any of the conditions. Can you please confirm the 2025 application fee which I will then have forwarded to you.

Thank you for your consideration of this request.
