

MUNICIPALITY OF THAMES CENTRE

REPORT NO. PW-DR-001-24

TO: Mayor and Members of Council
FROM: Drainage Superintendent
MEETING DATE: January 15, 2024
SUBJECT: Sifton Petition – Request for Drainage Works

RECOMMENDATION:

THAT Report No. PW-DR-001-24 of the Drainage Superintendent, dated January 15, 2024, concerning requests received by Justin Diotte for a request for new drainage works, be received for information;

AND THAT the petitions submitted by Justin Diotte, under Section 4 of the Drainage Act, R.S.O. 1990, for new drainage works, in relation to property located at CON B SRT PT LOT 17 RP 33R16963 Parts 2 to 4 PT Part 1 (former township of North Dorchester) be received and adopted;

AND THAT Mr. M. P. Devos, of Spriet Associates, be appointed the Engineer to investigate and prepare the necessary drainage report.

PURPOSE:

To provide Council with the necessary information to deal with the request under the Drainage Act.

BACKGROUND:

On October 31, 2023, an onsite meeting was held regarding two previous petitions received and adopted now known as the Dorchester Road Drain. The current petitioning landowner was invited to and attended this meeting. It was at this meeting that the petitioning landowners who had proposed plans to change the current use of their land, decided they would benefit from being a part of the active Dorchester Road Drain project.

COMMENTS:

This request is joining an active Drain project (Cromarty and Otis – Request for Drainage Works). Approving this will formalize the requesting owner's need to gain an outlet for a portion of the requestor's lands.

FINANCIAL IMPLICATIONS:

None.

CONSULTATION:

None.
