

Dear Mayor Sharron McMillan and staff!

We are writing to express our profound gratitude for your generous sponsorship of the 2023 Dorchester Fair. Your support was instrumental in making this year's fair a resounding success, and we want to convey our heartfelt appreciation for your contribution.

As we celebrated our 168th fair, we couldn't help but reflect on the remarkable longevity and dedication displayed by our volunteers, and your sponsorship proved to be an invaluable cornerstone in ensuring that this cherished tradition continues to thrive in the years to come.

The financial support needed to run events like the midway, children's entertainment, and the bands is substantial, and we are truly thankful for the generous contributions and gifts in kind that have been provided. The draws this year were nothing short of spectacular, the raffle enjoyed immense success, and the prizes for the culinary arts competition added a level of excitement for the many winners.

Your dedication and commitment to our community in preserving our cherished traditions are truly commendable. We take immense pride in having your esteemed company as a sponsor and eagerly anticipate the opportunity to collaborate more in the future, as we endeavor to establish a lasting partnership that benefits all of us.

Warm regards,

From the Executive, Directors, Associate Directors, and Members
of the North Dorchester Agricultural Society
