RECOMMENDATION:

THAT Report No. PW-DR-002-24 of the Drainage Superintendent, dated January 29, 2023, concerning a request received by Daniel Jones & Christine Terry for a request for new drainage works, be received for information;

AND THAT the petition submitted by Daniel Jones & Christine Terry, under Section 4 of the Drainage Act, R.S.O. 1990, for new drainage works, in relation to property located at CON 4 W PT Lot 16, (former township of West Nissouri) be received and adopted;

PURPOSE:

To provide Council with the necessary information to deal with the request under the Drainage Act. This report is to update an existing petition.
