Subject: FW: Speed Info

Hi Inspector Stuart,

Recently at our November 14th Council meeting, a recommendation was moved and passed to forward speed monitoring data to the OPP detachment. Please find attached the speed data for five of our 10 pole-mounted speed signs that we have installed within the municipality. The remaining signs were unable to forward data but have been reset to correct this issue. Beginning 2024 we will be forwarding data sets removed from these signs on a quarterly basis. If you wish to have them in more frequent intervals, please advise.

Resolution: 352-2023

Moved by: T. Heeman

Seconded by: C. Crockett

THAT staff regularly provide its Municipal speed monitoring data to the local OPP detachment for its review and consideration for its intelligence led enforcement operations in Thames Centre.

Carried.

Thanks,

Jarrod Craven
