

MUNICIPALITY OF THAMES CENTRE

REPORT NO. PW-ES-001-24

TO: Mayor and Members of Council
FROM: Environmental Services Superintendent
MEETING DATE: February 12, 2024
SUBJECT: 2023 Drinking Water Systems Annual Reports

RECOMMENDATION:

THAT Report No. PW-ES-001-24 be received for information;

PURPOSE:

To provide Council with the Dorchester and Thorndale Drinking Water Systems Annual Reports that will be made available to the public by February 28, 2024.

BACKGROUND:

O. Reg. 170 requires municipalities to submit a report on each of their drinking water systems. The annual report must cover the period from January 1 to December 31 of the calendar year and must be prepared no later than February 28 of the following year. It must contain a brief description of the drinking water system, a list of chemicals used in water treatment, a summary of any reports made to the Ministry of the Environment, Conservation and Parks, a summary of the tests required under this Regulation, describe any adverse conditions and corrective actions, and describe any major expenses incurred during the reporting period.
