To: Mayor McMillan and Members of Thames Centre Council

From: Gord Gurmin, President of the Dorchester Lions Club

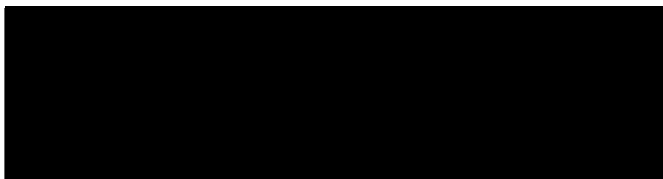

Subject: Thank you

On behalf of the Dorchester Lions Club, I would like to take this opportunity to say “much thanks” for your support during our recent event that involved our annual Christmas Tree sales fundraiser. We are thankful that the municipality provided us with the baseball diamond food booth for our office and also the use of the parking lot for the storage and display of the Christmas Trees. The Thames Centre staff team were great to work with and they promptly responded to any questions or needs that came up during this time. While we strive to make our community a better place in which to live, we know that the municipality is a valued partner in our endeavours.

We look forward to our continued partnership with the municipality.

Thanks for all that you do.

Sincerely,

Gord Gurmin

President
