The Year in Review report shares collective achievements, financial accomplishments, approved plans, completed projects and recognizes the exceptional service delivery that has been maintained to support residents and meet the needs of the community.

Throughout the year, Municipal employees demonstrated passion and dedication, drove change, remained innovative, and worked diligently to impact the everyday lives of residents across the community.

The key to the success of Council initiatives is the timely execution of project phases and delivery of meaningful outcomes for the residents of Thames Centre. With receipt of this report, the Municipality will continue to effectively communicate the achievements and success as guided by Council priorities.
