Wellburn Park	Various options	<ul style="list-style-type: none"> <li>- water service</li> </ul>

Attachment to Report # CS-004-24

<b>Cons</b>
- no fencing at this point
- limited size (approx. 3,000 square feet) - this space could be wanted by future lessee of former nursery
- this park does not have lots of free space, so adding any new amenity to this location requires careful consideration
- heightened risk of rodents & pests - somewhat remote - not a great fit for this destination
- remote location
